Directions

From Toulouse airport car park:

Follow the sign to Toulouse for about 1k until you find yourself on the motorway. Then keep following signs to Albi – just follow the signs – don't try to work out where you are on the map! The signs eventually take you the A68 motorway. (At one point there is a sign to 'Albi via RN' – don't take this, it is the non-motorway route). There is a toll of €1.30. From the A68 see below.

From Rodez and the East

Follow signs to Albi and find the A68 motorway towards Toulouse. From the A68 see below.

From the A68

Leave the A68 at junction 9 direction Gaillac. After about 0.5 kilometre cross the small roundabout. About 0.5 km further there is a slip road to Gaillac St Michel – ignore this and continue for 0.8 km to a large roundabout at which you take the second exit signed for Montauban (D999). Follow this road for about 2.5 km until you reach a roundabout – take the first right, signed Castelnau de Montmiral (D18). Follow this for about 4 km until you reach a roundabout – take the third exit signed to Castelnau de Montmiral (D 964). Then follow the signs to Castelnau de Montmiral (10 km).

When you get to Castelnau de Montmiral, pass the shop on the right then at the small roundabout turn right on to the D4 (signed Ste Cecile du Cayrou) and wiggle downhill for 3km. Cross the D1 (right then quick left) staying on the D4: you can see our house from here (well, in summer its half hidden by a big tree!), 300m on the right (with pigeon tower). Don't drive through the arch – the ground clearance is poor – continue on the D4 road past the house and turn right into the drive just after the house immediately before a junction.

From the north (A20)

Leave the A20 at junction 59. Head for Caussade, where you want the D964 to Montricoux. Then Join the D115 towards Bruniquel (but don't turn off to the village) until the D964 goes off to the right – take this through Larroque and pass Puycelci towards Castelnau de Montmiral. 11km after Larroque, turn left on the D1 (signposted to le Verdier) and after 2km turn left on the D4: you can see our house from here, 300m on the right (with pigeon tower). Don't drive through the arch – the ground clearance is poor – continue on the D4 road past the house and turn right into the drive just after the house immediately before a junction.

From Montauban

Take the D115 (direction Negrepelisse) to Bruniquel then follow directions in 'From the north (A20)' above.
